No. C 02-0451PJH(PR)

vs.

JAMES BONINI, Clerk
CINCINNATI, OHIO

Judge Phyllis J. Hamilton

USDC-Ohio and State
From Two Co'sMotion to Re-instate Case per proof
provided.Whereas, petitioner, sent back to United
States District Court for the Southern District
of Ohio only to receive, sue again and relief
denied! (Dismissed w/o Prejudice)Whereby, now, with proof provided, and still
looking for relief as those in this jurisdiction
are still letting criminals walk free, except from
Petitioner, asks for case to be re-opened, re-in-
stated in your jurisdiction!

Now, get the words reasonable and or of no
practical significance, petition not incompetent
nor was I ever, however, been treated for a
matter of discrimination, as, petitioners practice(s)
in U.S. Law and they call a dilution. While they
call paranoid ideation, afraid of law, right?

Whereas now, did petitioners mention Criminal
charges along the way somewhere as those took
time away from petitioners about this matter of
I wasn't the criminal in the first place but
was threatened by force by you, illegal plea
bargain to represent myself by judge were denied,
Forced reduction on petitioners which causes dilution,
which off of by doctor as said don't need it!
Caused Demolition Derby is a two step parking lot are at 100 a 1yr probation per
working w/ the company.

Wholly next, about the Motion for Relief about
the racial profiling suit in this jurisdiction, reasoning
why case was turned away as this guy not
black which isn't no black case now is it!
While, stating, makes case a no class action as it
is false, etc! Like, it's happened to petitioners
more than once, attacked, almost shot, and again!
For which, one is tired of hearing, etc, this town where
about Racial (black) Profiling.

Now therefore, a job done right out there
however, not good enough in this jurisdiction.
For reasons set forth asks or wants case
re-instated or re-opened!
